Parents/Guardians,

Students will be using the Studies Weekly Magazine for Social Studies. This is a new format for core curriculum where the chapters of the textbook are published as weekly magazines. They teach the same information as textbooks in a fun interactive setting that is not intimidating like regular textbooks. To stay current, these publications are updated yearly. Studies Weekly publications are colorful with vivid illustrations. They have formal and informal assessments, crossword puzzles, writing assignments, biography spotlights, geography with colorful maps and charts, economic lessons, cultural spotlights, etc. There are online tools where students can listen to the text in rich character voices that hold their attention. The words light up on the screen as the text is read. Students may watch primary source videos, listen to primary audio files, see primary source photos, etc. The magazines are updated each year and teach our current state social studies standards with current information. The cost of each student subscription is \$8.50 which will cover the full curriculum of social studies for one full year and its additional on-line access to learn more through games, videos, history, etc.

Thank you for your assistance and support,

Bent Tree Elementary School's Social Studies Teachers

**Student Name:** \_\_\_\_\_

**Please send \$8.50 CASH for your child's Social Studies Weekly Subscription enclosed in a Ziplock bag with your child's name to cover the full year subscription of social studies' active learning.**
