As we reflect back on last school year, we are so proud of the work done by our students, parents, and teachers. We hope to build on the support and successes of last year and look forward to our continued partnership. As your Principal, I will continue to cultivate a school culture where all educational programs are conducive to student learning and development. As we begin the 2019-2020 school year, we must continue to set the bar for our goals high and surpass our greatest expectations.

**Academic Programs – Student Progression Plan (SPP)**
Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statues, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

**Before/After School Care Program & Middle School Enrichment After School Program**
For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is $40 per week; the cost of Middle School Enrichment after school care is $40 per week; the cost of before school care is $20 per week and the cost of Summer Camp is $100.00 per week. These programs are offered by one of seven providers:

- Miami-Dade County Public Schools Principal Operated Before After-School Programs
- Young Men's Christian Association (YMCA)
- Young Women's Christian Association (YWCA)
- Family Christian Association of America (FCAA)
- Sunshine After-School Child Care (SASCC)
- South Florida After-School All Stars (SFASAS)
Bring Your Own Device (BYOD)
Bring Your Own Device allows students, parents, staff and guests to integrate the utilization of technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Clinic
The clinic will be used for students who are ill. The nurse will contact parents or persons named in the emergency contact information. No medication or treatment may be administered by any school personnel. No child may bring or take any medication unless proper documentation is on file in the office, and only under supervision of trained personnel.

Closing of School
The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Community School Program
The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today’s world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Cyberbullying
Cyberbullying is a form of bullying that takes place virtually over digital devices such as computers, smartphones, and tablets. Cyberbullying most commonly takes place via social media, texting, instant messaging, and email. Say NO to cyberbullying! If you or someone you know is being bullied, report this information to the Bullying/Harassment Anonymous Hotline at 305-995-CARE (2273). Resources:

- StopBullying.gov
Discrimination/Harassment
The School Board has a prohibition against discrimination/harassment based on sex, race, color, ethnic or national origin, citizenship status, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other basis prohibited by law. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their Principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, or persistent. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly.

Attendance Policy – Board Rule 6Gx13- 5A-1.041
Student attendance is a means of improving student performance and critical in raising student achievement. Together, the staff of Miami-Dade County Public Schools, students, parents and the community must make every effort to lessen the loss of instructional time to students.

● Per District Policy, students must be in school a minimum of two hours to be marked present.

Excused School and Class Absences and Tardies
1. Student illness: Students missing 5 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider in order to receive excused absences from school.
2. Medical appointment: If a student is absent from school due to a medical appointment, a written statement from a health care provider indicating the date and time of the appointment must be submitted to the office.
3. Death in family
4. Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service is observed.
5. School-sponsored event or educational enrichment activity that is not a school-sponsored event, as determined and approved by the principal or principal’s designee. The student must receive advance written permission from the principal or the principal’s designee. Examples of special events include: public functions, conferences, and region, state and national competitions.
6. Subpoena by law enforcement agency or mandatory court appearance.
7. Outdoor suspensions
8. Other individual student absences beyond the control of the parent/guardian or student, as determined and approved by the principal or the principal’s designee. The principal shall require documentation related to the condition.

Unexcused School Absence
Any absence that does not fall into one of the above excused absence categories is to be considered unexcused. Any student who has been absent from school will be marked unexcused
until he/she submits required documentation as specified above. Failure to provide required
documentation within three school days upon the return to school will result in an unexcused
absence. Unexcused absences include:
1. Absences due to vacations, personal services, local non-school event, program or sporting
activity
2. Absences due to older students providing day care services for siblings
3. Absences due to illness of others
4. Absences due to non-compliance with immunization requirements (unless lawfully exempted)

Emergency Contact Information
Emergency Student Data Forms are distributed during the first week of school. Students are
expected to bring the forms home and present them to their parents/guardians. The form must be
carefully completed and returned. The information provided on the Emergency Student Data
Forms will enable school staff to contact the parent/guardian immediately in the case of an
emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages
should an emergency arise. Students may only be released from school to the persons listed on
the form after presenting a picture identification. No persons, other than school staff, will have
access to the information submitted. Any divorced or separated parent contesting the information
in the Emergency Student Data Form may seek assistance from the court governing their divorce,
separation, or custody matters to compel the enrolling parent to revise the information.

Fieldtrips
All fieldtrips must be approved by the principal and Region Superintendent. Participation in
fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her
teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require
schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will
be notified in advance of the vendor’s “no refund” policy.

Homework
Principals are encouraged to work with teachers and parents to implement guidelines found in
Homework Policy 2330. Teachers are required to provide students with make-up assignments
once the absence has been excused; however, it is the responsibility of the student to request
the assignments from the teacher(s).
MIAMI-DADE COUNTY PUBLIC SCHOOL
DISTRICT’S UNIVERSAL PARENT/STUDENT HANDBOOK

BENT TREE ELEMENTARY SCHOOL - HOMEWORK POLICY
Bent Tree Elementary recognizes that one of the main purposes of the elementary school is to begin training in the habits of independent study by establishing good work habits and reinforcing skills. This can be done by making assignments that can be carried out without the supervision of the teacher. The responsibility becomes a threefold goal: teacher, student and parents.

Teacher Responsibilities
- The teachers will show evidence of homework assignments in their lesson plans.
- The teachers will check and review the assigned homework. Homework assignments will not be given as punishment or as busy work.
- The teachers are to give homework assignments that are well within the capabilities of students, and can be adapted to individual needs, interests and capacities.
- The teachers are to make sure assignments are clearly understood by student and be done by the student without help from others.
- Homework assignments will be checked, or graded, and recorded in the gradebook.

Student Responsibilities
- The student is to ask questions pertaining to the assignment during the time the assignment is given or at the teacher’s convenience.
- The student must put forth his/her best effort to do the homework assignment and to complete it by the due date.
- The student is to turn in the completed assignment in an acceptable manner to his/her teacher.
- The student is to copy all assignments in her/his assignment book, and bring home necessary books and materials.

Parent Responsibilities
- The parent is to provide appropriate time and space free from interruption in order for the student to be able to concentrate without disturbance.
- The parent should encourage the child to finish the assignment or do the required amount of study for the evening.
- The parent should be available for advice or consultation; however, the student should assume the ultimate responsibility.

The homework policy of the Miami-Dade County School Board emphasizes the importance of reading and encourages parents to become involved in the implementation of the homework guidelines, which include a marked emphasis on reading.

One way that parents can support a renewed emphasis on meaningful homework is to ensure that their children read daily. Of course, parents or other family members should make every effort to read to students who cannot read on their own.

The recommended daily homework averages are as follows:

Protocol for Addressing Parental Concerns
Parents may generally address their complaints or concerns to the school administration, which may be followed by Region and District department review by appropriate. For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.

Public-Private Collaboration
Requests for private instructional personnel to collaborate with public instructional personnel in the educational setting should be directed to the Principal for application of District procedures.

Recess
Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.
Safety and Security

**Emergency Operations Plan**
Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills/active shooter drills, the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)

**Fire Drills**
Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher’s instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

**Lockdown Procedures**
Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to
a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

- **Threat Assessments**
  Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**
  Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

**School Activities/Clubs**
All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**
  Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

  Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.
School Class Picture Process
The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation
Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children’s bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education/Section 504
The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state’s eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at http://ese.dadeschools.net/.

Student Records
The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may
not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Student Services
The Division of Student Services provides prevention and intervention services to PK-Adult students throughout the District. These services focus on the elimination of social and emotional barriers that inhibit students’ academic success and prepare students to be college and career ready. An integrated team of uniquely trained student services professionals deliver these direct services to students.

Student Success Centers
The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

The Parent Academy
Miami-Dade County Public Schools created The Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information, which answers questions on topics that impact children’s lives, including helping children learn, parenting skills, financial management, and health and wellness.

The Parent Academy supports parents in becoming more involved in their children’s education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

Transgender and Gender Non-Conforming Students
The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique
characteristics, including sexual orientation or gender identity.\textsuperscript{1} Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

ADHERES TO A POLICY OF NONDISCRIMINATION IN THE EDUCATIONAL AND WORK ENVIRONMENT

DISCRIMINATION / HARASSMENT

It is the policy of the School Board that all students and employees be treated with respect. The School Board affirms the dedication to provide a workplace and educational environment free from discrimination and harassment (including sexual harassment), as required by law. Through this policy, the School Board establishes its intent to provide equal access, opportunity, and treatment to students in the provision of educational programs and activities and to applicants and employees in all aspects of employment. Slurs, innuendos, hostile treatment, violence, or verbal or physical conduct against a student or employee reflecting on his/her race, ethnic or national origin, gender or any other of the categories described below, will not be tolerated by the School Board.

The School Board Policy Covers the Following Protected Categories:

- AGE: This category prevents denial of employment and/or educational opportunities because of a person’s age.
- CITIZENSHIP STATUS: This category prevents denial of employment and/or educational opportunities because of a person’s citizenship or immigration status.
- COLOR: This category prevents denial of employment and/or educational opportunities because of a person’s skin tone. Color discrimination can occur within the same race, for example someone who has a darker complexion may discriminate against someone who has a lighter complexion.
- DISABILITY: This category prevents denial of employment and/or educational opportunities because of a person’s mental and/or physical impairment that substantially limits or prevents a major life activity, for example: walking, hearing, seeing, speaking, sitting, or standing.
- ETHNIC/NATIONAL ORIGIN: This category prevents denial of employment and/or educational opportunities because of a person’s ancestry or cultural characteristics of a particular group.
- GENDER: This category prevents denial of employment and/or educational opportunities because of a person’s gender.
- GENDER IDENTITY: This category prevents denial of employment and/or educational opportunities because of a person’s gender identity, expression, or behavior, regardless of the individual’s assigned sex at birth.
- GENETIC INFORMATION (GINA): This category prevents denial of employment and/or educational opportunities because of a person’s genetic information; it ensures that individuals are not treated differently because of genetic information.
- MARITAL STATUS: This category prevents denial of employment and/or educational opportunities because of a person’s marital status; i.e., single, married, widowed, or divorced.
- POLITICAL BELIEFS: This category prevents denial of employment and/or educational opportunities because of a person’s political party.

- RACE: This category prevents denial of employment and/or educational opportunities because of a person’s race. The five federally recognized racial categories are American Indian or Alaska Native, Asian, Black or African American, Hawaiian or Other Pacific Islander, and White. People from mixed racial backgrounds do not need to prove their racial heritage in order to assert that they have been discriminated against based on race. Likewise, this category covers persons being discriminated against because they are named to persons of a different race other than their own.
