Dear Parents/Guardians:

With the end of the school year upon us, we know that you are making plans for your child's summer vacation activities. While the summer months are a welcome opportunity for fun and relaxation, the break from school activities often causes students to experience a lag in learning upon returning to school in the fall.

Miami-Dade County Public Schools is implementing a Summer Reading program for all students in grades Kindergarten-12th Grade. Bent Tree Elementary will be following MDCPS's K-12 Summer Reading Guidelines. The chart attached lists the grade levels and required reading activities that should be completed before the start of the 2025-2026 school year. For each book that the children read, there is an assigned activity that will be collected in August during the first week of school. We highly recommend all students to continue their reading routines throughout the summer.

Each student will also receive a total of 10 curated i-Ready Math and i-Ready Reading lessons. These lessons were strategically chosen to reinforce skills learned in the previous school year and prepare students for the next grade level. Students will have **access to curated summer lessons from June 9th-July 25th**. Once completed, no additional lessons will be assigned.

Students that complete **ALL** their Summer Learning Assignments will be invited to a Summer Learning Celebration once school begins.

Enjoy your summer! We look forward to an amazing 2025-2026 school year!

Sincerely,

Ms. Emily Falcon
Principal
