The safety of our Bent Tree Elementary students is everyone's job. If students are to be kept safe, everyone (parents, staff, and students) must cooperate by following all school procedures and being always patient and cautious. It is important to understand that there is no supervision for students prior to 7:50 am when the building opens for breakfast, unless your child is enrolled in the Before School Care Program. Please remember to use the crosswalk when crossing the street. Please also adhere to the speed limit when traveling in the school zones. In addition, please refrain from making u-turns in front of the school as this may cause an accident.
